

6 MEGA PIXEL

# ACE 3K

**Screen Size**  
Experience clear viewing with a 3-inch high-resolution screen.

**Loop Recording**  
Ensures continuous video capture by automatically overwriting the oldest footage.

**G-Sensor**  
Detects sudden impacts, automatically locking crucial footage during an accident.

**Parking Guard**  
Monitors your vehicle, recording any impact or movement when parked.

**Rear Cam**  
Provides a clear, wide-angle view for enhanced safety during reversing.

**Built-in Wifi**  
Allows you to view, change settings, download, and share footage.

**Viewing angle**  
Provides a wide 140-degree angle for better viewing and extensive coverage, capturing more.
