CP PLUS eZY 4G

4G Support

To eliminate the hassle of cables and switches, this camera has been 4G enabled which makes it easier and better to conduct surveillance of any closed space.

Built-in Siren

Comes with a built-in siren that activates automatically when suspicious motion is detected, acting as an active deterrent to ward off intruders.

View & Talk

Enables you to stay in touch with your loved ones from anywhere, meaning you can also talk while viewing the live video feed on the phone.

Cloud Recording

Offers secure and encrypted cloud-based video storage, ensuring your recordings are accessible anytime, anywhere, even if the physical camera is tampered with.
